Asset TracerS India.

Mangalore.

Dear Sirs,

I hereby thank U all at Assett TracerS India, Mangalore. for tracing my father's shares and getting them transferred in my name. I was holding the Share Certificate since my father's death in 1978.

But I met Mr. Arun D'souza in Jun 2017. and my confidence in destiny restored, when I heard Mr. Arun D'souza was trying to find me since 2014 my faith was revitalised.

Assett TracerS India and people like Mr. Arun D'souza are a boon to people like me and I appreciate all this organisation has done for me. Want to remain obliged always.

Sincerely yours
Arun D'souza
